

ADOBE PHOTOSHOP CS4: BASIC TO INTERMEDIATE

Sapura Unique Training Guarantee invites participants back for unlimited refresher courses within the same software version, no questions asked!

Sapura Genuine Offer will match other training providers' prices + a further 10% off all course fees if you can prove that the content covered is similar.

COURSE OVERVIEW

Adobe Photoshop CS4 software accelerates your path from imagination to imagery. This version delivers new features that will boost the comprehensive, nondestructive editing toolset for increased flexibility.

This course, conducted by our Adobe Certified Instructor, will walk you through a full range of Photoshop functions, tools and techniques, and place you well on your way to working like a professional in just a few days! At the end of each lesson there will be a revisional exercise to reinforce the concepts learnt.
